The Black Sun organization issues ultimatum: announce world federation or face nuclear holocaust

Facing a comprehensive military and geopolitical defeat, the Black Sun organization- the ultimate controllers of the Western military-industrial complex- have issued an ultimatum to Asian secret societies: They must either agree to a world federation or face all-out nuclear war.

Subscribe

This ultimatum came from Vincenzo Mazzara, a Cavalier of the Teutonic Knights and senior Black Sun officer. It comes in the wake of a comprehensive purge of high-level Khazarian Mafia leaders and military defeat in Ukraine.

The KM and the Black Sun were working on a long-term plan that involved using Ukraine to destroy Russia and break it up into several vassal states. After this, they planned to invade China and divide it into 5 warring states. Then they were going to appoint their "Messiah" as a Babylonian-style world god king dictator.

The White Dragon Society and their Asian allies stopped them dead in their tracks. They now face bankruptcy of the West, total military defeat and a continuing purge of their high-level leadership. That is why the Black Sun now agrees to a multipolar new, and fair, world arrangement. However, the battle is not over yet.

To understand what we are dealing with we need to realize the United Nations, the World Economic Forum, the WHO, the BIS, the IMF, the World Bank, etc. are privately owned Non-Government Organizations. The same people who own them own 90% of major corporations. "The majority of the countries of the world do not control their own natural resources. The oligarchs control all the visible leaders. The leaders are not employees of the people, they are employees of the oligarchs," says Calin Georgescu former President of Europe for Club of Rome and top UN official. "Slavery never disappeared it is more powerful than ever through brainwashing," he adds.

These people intended to turn the entire planet into a human-animal farm controlled by members of their tribe. Let me make this clear, these people are not Jews, they are Satanists. There is no mention of the word Jew in the bible, only the Synagogue of Satan. To enter their group as high-level servants, 33rd-degree freemasons need to go through a ceremony where they torture a child to death and consume its' blood.

"These oligarchs all of them are related to the system of pedophilia because we know that there are more than eight million children per year who disappear without any information. This criminal act is transhumanism," Georgescu confirms.

"Since ancient times the elites have been sacrificing their children to "Lord" (Baal). Many elites had children who died mysteriously because they were sacrificed.

Madeline McCann was George Soros's biological daughter who was raised by his cult to be sacrificed in a ritual," A Canadian Secret Intelligence Service source says.

The WDS and other white hat groups have been taking the top Satanists out at an accelerating pace. In the past two months:

King Charles has been diagnosed with cancer.

Queen Camilla has canceled all public appearances.

Crown Prince William has vanished.

Kate Middleton has had abdominal surgery and has not been seen since December.

Sarah, Duchess of York was diagnosed with skin cancer.

Prince Edward is 'stepping back' from Royal Duties.

Thomas Kingston, who married into the British Royal Family, died suddenly.

Jacob Rothschild died.

The King of Norway was rushed to hospital with an infection.

Pope Francis was rushed to the hospital.

The Queen of Denmark announced shock abdication.

Two Black Horses were spotted with a 'captured' White Horse and Black Flag outside Buckingham Palace.

"The custom of royal riders is to never bring a white horse without the presence of the king and queen. The presence of a white horse means the presence of the king. When King Charles is not present in this Cavalry, it means that he is dead," an MI6 source says.

In the past two months:

• King Charles has been diagnosed with cancer.
• Kate Middleton has had abdominal surgery and not been seen since December.
• Sarah, Duchess of York was diagnosed with skin cancer.
• Prince Edward is ‘stepping back’ from Royal Duties.
• Thomas Kingston, who married into the British Royal Family, died suddenly.
• Jacob Rothschild died.
• King of Norway rushed to hospital with infection.
• Pope Francis rushed to hospital.
• Queen of Denmark announced shock abdication.
• Two Black Horses were spotted with a ‘captured’ White Horse and Black Flag outside Buckingham Palace.

Since this happened when the death of Jacob Rothschild was announced it implies he was the real king of England. We have also been informed by Polish intelligence that Prince William is really the son of Jacob Rothschild. Look at the photos below and decide for yourself.

The Rothschilds (Roth=red, schild=shield of Satan) are all being hunted down by the gnostic Illuminati. The current head of the British and French branches of the Rothschild family David Rene de Rothschild contacted the WDS to say

his family wanted to surrender and that their only demand was that they not be killed. However, when the WDS tried to reply, we were told he was “on a skiing vacation.” Either he is in hiding at the Rothschild complex in Zug, Switzerland with his cousin Klaus Schwab Rothschild or they both have been removed from this mortal realm.

Benjamin de Rothschild is also confirmed dead and since Jacob appointed his daughter Hanna as heir, it seems Nat Rothschild is also gone.

The disappearance of all these high-profile Satanists is related to an order made by Florida Governor Ron de Santis to release all the Jeffrey Epstein files.

https://www.yahoo.com/news/citing-black-eye-justice-desantis-204200956.html

Epstein is (he is still alive) a Mossad agent who infiltrated the Satanist elite and created a comprehensive video library of them murdering children. Queen Elizabeth confessed she herself was being blackmailed with a video of her cutting off a child's head and eating its' heart. These tapes are now in the hands of the white hats, Mossad sources say.

The purge of Rothschilds appears to be coordinated with a German and European declaration of independence.

German chancellor Olaf Scholz has signaled this break with a series of leaks. He divulged details of British aid for Ukrainian forces.

https://www.independent.co.uk/news/world/europe/british-soldiers-in-ukraine-germany-b2504462.html

Scholz then released a 40-minute tape of German military officers plotting to blow up a Crimean bridge with Taurus missiles.

https://swentr.site/russia/593621-german-leak-real/

Russian Foreign Minister Sergey Lavrov called this a “screaming revelation.”

https://tass.com/politics/1754721

These leaks came after a February 26 meeting of representatives of about 20 Western countries where most countries said they were not planning to send troops to Ukraine. They also opposed their involvement in military hostilities against Russia.

https://tass.com/world/1754431

In other words, calls by French President Emanuelle Macron de Rothschild

0:00 / 1:00 1×

for NATO to declare war on Russia was rebuffed.

Even his Foreign Minister Stephane Sejourne rebuffed him saying “The French will not die for Ukraine. We will not send troops.”

The Rothschilds also trotted out a fourth avatar (following the “hospitalization” of the three others since January) of fake US Defense Secretary Lloyd Austin to ask for war on Russia. This powerless house slave was also rebuffed.

Another house slave, Rishi Sunak, vowed to back Ukraine until it prevails on the war anniversary. “He will be swinging from a lamp post soon enough,” an MI6 source promises.

https://www.standard.co.uk/news/politics/ukraine-rishi-sunak-volodymyr-zelensky-kyiv-kremlin-b1141282.html

In a clear break with the Rothschilds, German Chancellor Olaf Scholz says NATO is not and will not become a party to the conflict in Ukraine. NATO has no plans to send military personnel to Ukraine, Secretary General of the alliance Jens Stoltenberg confirms.

https://tass.com/world/1753197

Scholz had no choice but to break with NATO, German intelligence sources say. “Germany is no longer governable. Politicians are met with rotten eggs or burning tires if they go out in public. The Germans want to leave NATO,” they say.

The European farmers are also forcing the politicians’ hands. Polish farmers and truck drivers are blockading the border with Ukraine to stop unfair competition.

https://rmx.news/article/polish-truckers-to-rejoin-the-farmers-in-border-crossing-blockades/

Also, Belgian Farmers broke through police roadblocks that were put up to stop them from protesting in front of the EU institutions.

In Spain too, farmers expel riot police from Zaragoza Castle.

0:00 / 1:29 1×

Dutch MEP, Rob Roos says “The ruling class wants our farmers to disappear, one regulation at a time… All in the name of the climate, of course…stop making it impossible for farmers to do their jobs. We absolutely need our farmers. Food security is also a matter of national security.”

Now it turns out only one of the ten largest companies in the Ukrainian agribusiness sector is not registered there. The rest are mostly in tax havens such as Cyprus or Luxembourg. We already know they are owned by tax-evading oligarchs.

Now Kellogg's CEO is trying to tell Americans to eat this [toxic and sterilizing] agribusiness cereal for dinner because it's less expensive

In any case, the oligarchs are about to lose the land they stole from Ukrainians (before that they stole it from American farmers) because the situation on the frontline is catastrophic for Ukrainian President Vladimir Zelensky. Zelensky's erratic behavior and constant touching of the face and nose on MSNBC interview made it obvious he was flying high on cocaine.

He needs the drugs to avoid reality in part because the Pentagon's inspector general has opened more than 50 cases into possible "theft, fraud or corruption, and diversion" of military aid to Ukraine.

Inspector General Robert Storch highlighted a case of unidentified items arriving in Poland as part of a wider weapons shipment, before disappearing from a shipping manifest when they were sent across the border into Ukraine in June.

Only around 30% of the $113 billion the US spent on military, economic, and humanitarian aid for Kyiv actually made it there.

The Russians are now making it clear Rothschild and Rockefeller-owned NGOs like the UN are the main problem facing the world now. The NGOs “are spending billions of

dollars to support various extremist, political, and religious organizations. The result of their so-called work is inevitable destabilization of the socio-political and economic situation in the targeted countries," Russian Foreign Ministry Spokeswoman Maria Zakharova says.

https://tass.com/politics/1753221

An example of this is the Intergovernmental Panel on Climate Change (IPCC) which is responsible for the policies bankrupting farmers and giving them no choice but to revolt. The IPPC is not a scientific academy and its' conclusions about carbon causing global warming have been violently rejected by scientists. This is what happens when government policy denies reality.

Another example of NGO crimes is the huge influx of military-aged undocumented men into Europe and the US. This is part of what is known as the Kalergi plan. "The Austro-Hungarian Count Richard de Coudenhove-Kalergi put forth a plan to interbreed Europeans with other races to create a mongrel race that could be easily manipulated and ruled by the KM elite," French

https://www.voltairenet.org/article220492.html

and Polish intelligence sources say. "In the book Practical Idealism, Kalergi writes Europeans should be turned into subhumans, without any quality and easily controlled by the ruling elite," they note.

The European Coudenhove-Kalergi Prize is awarded every two years to Europeans who have distinguished themselves in promoting this plan. The winners of this award include German Chancellor Angela Merkel and EC head Herman Van Rompuy.

It is people carrying out his plan who have been flooding Europe and the US with military-aged male third-world illegal immigrants.

In the US it is Rockefeller front man "Joe Biden" who opened the borders with an executive order. "Joe Biden is claiming that he doesn't have the executive authority to

shut down the border. That’s a complete and utter lie,” says Karoline Leavitt.

0:00 / 0:53 1×

This Biden can now barely walk as seen here near the Texas border.

“The ability to discard your identification documents (from any country), walk across the southern border and claim ‘asylum’ has turned America into a refuge for the world’s worst criminals!” tweets Elon Musk.

These are the people who are trying to kill us with toxic drugs as well. Authorities in California seized enough lethal doses of fentanyl last year to kill the entire global population “nearly twice over,” according to Gov. Gavin Newsom’s office.

Now the government has told gun shop owners to sell guns to these undocumented illegal immigrants.

Also, the LA Police Department is hiring and arming these illegals. Other police departments are being told to do the same thing.

It is clear the KM are trying to hire foreign mercenaries to protect them from the American people.

As Tucker Carlson notes: “The people around our country are destroying it, and they’re doing it ON purpose.

It is time for Carlson to name his would-be assassins by talking about the KM.

They are now trying to kill us with spaced-based lasers. They just used directed energy weapons to cause the largest recorded fire in Texan history. You can see it at

work in the video below.

The KM puppet masters are pissed off with Texas planning to secede and go back to the Gold backed payment system, also possibly joining BRICS+

The fake Joe Biden even admitted it was a DEW attack when he said

“If you fly over these areas that are burned to the ground, you’ll see in the midst of 20 homes that are just totally destroyed, one home sitting there because they have the right roof on it.”

0:00 / 0:13 1×

He is referring to the blue color all the elites painted on their roofs before the attack on Maui.

Now the KM are using DEWs to start nearly 3,000 fires in the Brazilian Amazon, setting a record for the month of February.

This was their reaction to hundreds of thousands of Brazilians rallying in support of former President Jair Bolsonaro. Bolsonaro was cheated out of his re-election in 2022 by radical leftist election fraud—similar to what happened in the United States in 2020.

0:00 / 0:28 1×

Bolsonaro is also being accused of his own J6 type of event just like US President Donald Trump is. By the way here you can see agents provocateurs identically dressed

in black changing into Maga outfits before presumably causing mayhem to blame on Trump.

0:00 / 0:35 1×

Don’t forget these “people” are still trying to kill us with vaccines and bio-weapons which they are falsely trying to blame on Trump.

Prove that you are a member of the planetary liberation alliance by ordering his arrest along with admitted child torturer Mark Zuckerberg Rockefeller. If you do not arrest them, you will be guilty of complicity in mass murder. If they have a video of you torturing a child, confess and we may be lenient, but only if you arrest Gates.

Please try to arrest Google CEO Sundar Pichai too. Remember Pichai and his boss (and now top Satanist) Larry Page censored the truth about COVID-19 and toxic vaccines. That means they are complicit in mass murder. Pichai himself admits his company is using AI to manipulate search results.

We are also sorry that you let Justin Castrudeau go free when you had him in India.

“Under Justin Trudeau’s watch, **the PRC and its entities, including the People’s Liberation Army, were allowed to infiltrate Canada’s top-level lab.** They were able to transfer sensitive intellectual property and dangerous pathogens to the PRC,” reads a statement from Pierre Poilievere, leader of Canada’s Conservative Party.

https://thecountersignal.com/secret-documents-reveal-trudeau-government-virologists-had-clandestine-relationship-with-chinese-agents/

This same Castrudeau insisted that we must trust “the science”, and assured Canadians the “vaccines” were “safe and effective” even as senior Health Canada personnel conspired to conceal that MrNA injections contained a “HIGH LEVEL OF IMPURITY”.

https://www.theepochtimes.com/world/exclusive-health-canada-official-deleted-scientists-note-saying-mrna-shots-have-high-level-of-impurity-internal-emails-5593451

Canada has become an embarrassment on the global stage, is racked with poverty and impoverished, the middle class is being destroyed, while small businesses collapse under the weight of the economy.

When they realized that they could no longer control you by calling you racist/ bigot/ misogynistic/ homophobic/ Islamophobic, they decided to threaten you with life in prison and a fine of $20k if you said mean words about them on social media, under the guise of 'Protecting Children'.
